RE: Investigation on the Commission's Own Motion Regarding Innovative Utility  
 Ratemaking Approaches that Promote Conservation and Efficiency Programs by  
 Removing Disincentives that May Exist Under Current Ratemaking Policies  
**Docket No. 05-UI-114**

Dear Judge Marion:

With this letter, we respectfully request full party status in the above-referenced docket on behalf of the Wisconsin Industrial Energy Group, Inc. ("WIEG") pursuant to Wis. Stats. § 227.44(2m) and Wis. Admin. Code § PSC 2.21.

WIEG is a member organization of large industrial businesses in the state of Wisconsin. It was organized to provide information to its members about energy matters and to form *ad hoc* groups for intervention and participation in electric and natural gas rate cases, generic proceedings, investigations, rulemaking proceedings and other dockets that affect members' energy supplies and costs.

This proceeding is of significant interest to WIEG, as its members' substantial interests will be affected by the Commission's action or inaction in this matter. Further, WIEG's participation is likely to promote the proper disposition of the issues to be determined and will not impede the timely completion of the docket. Accordingly, WIEG is entitled to intervene pursuant to § PSC 2.21, Wis. Admin. Code.

Notices, papers, pleadings, transcripts, and other documents should be sent directly to:
